

Cloud-based Game App FINAL FANTASY®XIII Released for Apple TV!

Same ID can be used to play on iPhone, iPad &iPod touch

It is with great pleasure to announce that Broadmedia Corporation and Broadmedia GC Corporation released the cloud game app Final Fantasy®XIII, developed by Square Enix Co., Ltd., for Apple TV on Monday, June 20, 2016.

You can purchase the game app by downloading it from the App Store. After you download it, you can transfer the game to other terminal devices such as the Apple TV, iPhone, iPad, and iPod touch that are associated with your Apple ID. This allows you to enjoy playing the rest of the game on other devices in a virtually seamless manner.

To play the game on a TV screen, you must download the application from the App Store on Apple TV.

* You will need an Apple TV-compatible game controller to play games on Apple TV.
